Triton Booster Club (TBC): As with most programs or athletic groups on campus, the Theatre Arts Boosters operate under the umbrella of the TBC, which is a registered 501(3)(c) non-profit. As a school-connected organization, SCHS Theatre Arts Boosters must follow the same Constitutional guidelines related to student fees that mandate all schools and districts provide a public education to your student free of charge. Subject to certain exceptions, your right to a free public education means that neither the school nor its support organizations can require you or your family to purchase materials, supplies, equipment or specific uniforms for any school activity, nor can we require you or your family to pay security deposits or make donations in order to participate in the program. All donations are strictly voluntary.

Thank you for your generous support of our wonderful SCHS Drama students!
